

Volume 14 Index

Authors, Titles, Illustrations & Key Words

Abies chensiensis **86, 14:(3) front cover**

Abies delavayi **87**

Abies densa **88**

Abies fargesii **87**

Abies grandis **84, 89**

Abies koreana **86**

Abies lasiocarpa **84**

Abies pinsapo **85, 14:(3) back cover**

Abies sp., silver firs, UBC Botanical Garden 71

Acer palmatum, leaf pigmentation **130**

Acer rubrum, colour change **129**

Achenes, *Bidens cernua*, *Bidens amplissima* **83**

Adiantum pedatum subsp. *calderi* **133**

Arctostaphylos manzanita **14:(1) front cover**

August in the Garden 105

Autumn colours, leaf biochemistry 111

Bidens amplissima **81**

Bidens amplissima, endemic status, range extension 63

Bidens cernua **82**

Bidens cernua, taxonomy 63

Bradfield, G.E. 121

British Columbia
serpentine, floristics, ecology 121
strawberry 5, 12
ultramafic regions, map **131**

Burns Bog, editorial 1

Canopy cover, forest **132, 133**

Catling, P.M. 12

Cheilanthes gracillima **134**

Chlamydomonas nivalis, pigmentation **130**

Climatological data 27

Conservation, *Bidens* spp., endemic status 63

Cronk, Q. 3

Daubeny, H. 5, 145

Directors' Note 3

Disanthus cercidifolius **14:(4) front cover**

Ecology, serpentine, British Columbia 121

Ecosystems, editorial 109

Editorial 1, 29, 61, 109

Endemic, *Bidens amplissima*, range extension 63

Ethics, pesticides, plant introductions, organic gardening 79

Euonymus alatus, leaf stencilling **131**

Exploration, *Hydrangea* 31

Floristics, serpentine, British Columbia 121

Forest, canopy cover **132, 133**

Fragaria chiloensis

accessions from BC **15**

British Columbia, taxonomy, variation, germplasm 12

diversity 5

illustrations **13, 14, 15**

Fragaria sp., distribution maps **16, 17**

Fragaria x ananassa nothosubsp.

cuneifolia, taxonomy, variation, germplasm 12

Fragaria x ananassa, origins, *Fragaria chiloensis* 5

Ganders, F.R. 63

Germplasm, *Fragaria*, variation 12

Germplasm, *Rubus* sp., pest resistance 145

Gleanings 107, 154

Guy, R.D. 111

Hinkley, D.J. 31

Hydrangea

anomola subsp. *petiolaris* **14:(2) back cover**

arborescens subsp. *radiata* **41**

aspera subsp. *strigosa* 'Elegant Sound Pavilion' **43**

Hydrangea (cont.)*integrifolia* **46***involucrata* **43***scandens* subsp. *chinensis* **44***seemannii* **47***serrata* 'Kiosumi' **45***serrata* 'Iza No Hana' **14:(2) front cover***sikokiana* **42**

systematics, exploration 31

Hydrangea sp. (with an affinity to *H. peruviana*) **46**

Instructions to Authors 28

January in the Garden 26

Justice, D. 71

Klinkenberg, B. 63

Klinkenberg, R. 63

Larix lyallii **130**

Leaf

biochemistry, autumn colours 111

colour change **129, 130, 131**pigmentation, *Acer*, *Thuja*, *Salicornia* **130**stencilling, *Euonymus alatus* **131**

Lewis, G.J. 121

Map, ultramafic regions, British Columbia **131**

May in the Garden 59

Newton, J. 26, 59, 105, 152

November in the Garden 152

Organic gardening, ethical issues 79

Peer review and the Editor, editorial 61

Pest, resistance, red raspberry, genetic resource 145

Pesticides, ethical issues 79

Photosynthesis, schematic diagram **110**Pigmentation, *Acer*, *Chlamydomonas*, *Thuja*, *Salicornia* **130**

Plant introductions, ethical issues 79

Polystichum kruckebergii **134, 14:(4) back cover***Populus tremuloides* **130**Range extension, *Bidens amplissima* 63

Raspberry, red, pest resistance, genetic resource 145

Resistance, red raspberry, genetic resource 145

Rubus

pest resistance, genetic resource 145

strigosus **135, 136***Salicornia europaea* subsp. *rubra*, leaf pigmentation **130**

Serpentine

British Columbia, map **131**

floristics, ecology, British Columbia 121

Silver Firs, see *Abies* sp. 71*Stewartia koreana* **14:(1) back cover**

Strawberry

cultivated origins 5

hybrid, distribution, taxonomy, variation, germplasm 12

Systematics, *Hydrangea*, exploration 31

Taxonomy,

Bidens amplissima, *Bidens cernua*,

endemic status 63

Fragaria spp. 5, 12*Rubus* spp. 145

Taylor, I.E.P. 1, 29, 61, 79, 109

Thuja plicata, leaf pigmentation **130**Ultramafic regions, British Columbia, map **131**Vancouver Island Beggarticks, see *Bidens amplissima*
